# *Come to Omaha - And help us celebrate 50 Years of Great Sales*

In all Shorthorndom, there has never been anything quite like Omaha . . . 50 years of continuous record selling to buyers from over 25 states and Canada. . . . demand from top flight registered and commercial cattlemen that cannot be exceeded by any other like sale in America.

For many years these annual Omaha events have been America's largest, and bulls of outstanding herd heading quality have moved out readily to top notch cattlemen over a wide area. This year's offering is one of the best ever made at Omaha, big rugged bulls mostly two-years of age but also a few outstanding senior calves and yearling. These are good sound, rugged, healthy bulls. Many of them have been semen tested and there are several consignments of from four to ten bulls each, all half-brothers and all handled together, ideal for the man who wants a group of bulls that can be turned out on the range. We know that you cattlemen don't need these big, overfat cornfed bulls, so you will like the way these bulls have been developed, they are hard, they are sound legged, they are ready to go to work when you turn out this spring. Buy them now and you have got just the right amount of time to get them fully acclimated to their home surroundings.

You will also notice that this year at Omaha we have added a few very choice and select females so come prepared to fill your needs in these two big selling days where over 200 head of top quality shorthorns and polled shorthorns are being shown and sold. If you want more information write to any of the consignors or to myself and we'll try to be helpful and remember too that trucking and shipping facilities from Omaha to any part of the country are convenient and readily available.

MERVIN F. AEGERTER, Sale Manager,  
SEWARD, NEBRASKA

This is our Golden Anniversary Sale at Omaha . . . and we are going all out by adding many special features to properly celebrate it and rightly so because there is only ONE OMAHA. Special trophies for the Champions, other for the all time high selling bulls, longest continuous consignors etc., all to be awarded at our big BRANDING PARTY. This will be held on Wednesday evening, February 10, at the Ranch Bowl at 1600 South 72nd Street, just west of Aksarben Field. The time is 6:30 p.m. and this will be an informal affair. Come as you are, a good time and good food are the feature. Remember . . . everyone interested in Shorthorns and Polled Shorthorns are cordially invited to attend and note that this will be held on the evening prior to the SHORTHORN SALE.

**Sale Committee** — Levi Johnson, Atlantic, Iowa; Russell Blomstrom, Waverly, Neb.; Loyd Davis, Oakland, Iowa and W. G. McCubbin, Elkhorn, Nebraska.

**Lunch** — can be obtained out at the Sale Pavilion on sale day.

**Liability** — each transaction in this sale will constitute a contract between the buyer and seller of each lot. The auctioneers, clerk and sale manager have been employed by the seller for specific tasks not connected with the handling of the cattle or the condition of the premises and they accept no liability, legal or otherwise for the buying contract or for any accident.

**Telephone** — to reach the Sale Manager or consignors at Ak-Sar-Ben Field, telephone, Omaha, Nebraska, 556-2305.

**Sale Headquarters** — the new Way Side Inn, 7833 Dodge St., Omaha, Nebr., telephone 391-7100, will be Sale Headquarters and this is just a few blocks from Ak-Sar-Ben Field.

G F PRESIDENT 29th -- a full brother is giving very good satisfaction in the Otto Johnson herd. The 29th was shown at Mo. St. Fr. 1963 & 1964. Was 3rd in mixed competition at Mo. in 1964, nine senior yr. competing. Stood 2nd at Nebr. St. Fr. & has improved since then. He is a large smooth bull, straight lines top and bottom. Shoulders and hips blending smoothly along with an extremely good spread of rib. A perfect tail set and stands well on sturdy sound legs. We have used this bull and recommend him to you. Has that smoothness so much needed in our cattle, probably the best bull we have ever offered.

APSI ORACLE X -- this bull has attracted favorable attention since the day he was calved. He has been a very fast gaining bull and has a good set of feet and legs. We think he has as much natural fleshing, depth and all around quality as any bull we have ever cared for. His pedigree is tops. A son of Carona Fascination and out of a line bred Lynnwood Leader dam. We have used him on some of our best heifers and he is a sure breeder. Calfhood vaccinated for bangs and leptos.

FOUR DEES COMPLIMENT -- this is another good son of Four Dees Command 50th that has a lot of scale and is the kind of a bull that will suit the western breeders as he is smooth and has the best set of legs I ever saw on a bull. Jerry Williams of Warrior, Alabama, is using a blood brother to this bull and he is doing a wonderful job for him. Don't forget ten of his half-brothers have averaged \$1,000 in the last three sales so be sure and see this bull.

O J PRESIDENT 3rd -- is the first calf from G F President 11th to be consigned to a sale. He is a rugged beef bull with a good set of legs and good feet which all the President calves have. As you can see by his pedigree he is a very well bred bull. V V President 37th was the all time high selling bull in Omaha sales, and Collynie Masterpiece was an Omaha reserve champion.

S & T PACEMAKER 12th - supreme champion bull at the 1962 Inter'l. His first five calves will feature our 1964 show herd. The 12th is by Leveldale Pacemaker, himself a champion 18 times, and out of S & T Anne of Lancaster 3rd, Int'l. reserve senior champion and All-American 2-year-old by Leveldale Caesar.

BROWNDALE FORTRESS -- is without doubt the best bull I have ever consigned to the Omaha Sale. He is quiet young but has everything you are looking for in a herd bull. He is the heaviest boned calf I have ever raised. He has a near perfect head, as he should have since all three top sires in his pedigree are great headed bulls as well as his dam's sire. We have always considered his sire one of the top females in our herd. He should make an outstanding herd sire. He has depth and thickness with a good coat of hair.
